2021 Dry Riesling Yakima Valley

Minimally Crafted

Fermented off-dry, hint of sweetness.

This Riesling has aromas of honeysuckle flowers, white peach and apricot skins; but, on the palate, you'll experience a rounded quality, giving way to flavors of apricots, fresh slice yellow peaches, lemon and honey. This style, we hope, truly captures a more Germanic approach to this varietal.

No chemicals added.

Vegan.

Natural materials used.

100% Local. 100% Washington.
