

## 2023 Cabernet Sauvignon, Columbia Valley (750ml / 375ml)

This Columbia Valley blend is 85% Cabernet Sauvignon, 9% Merlot, and 6% Petit Verdot. A medium-to full bodied Cabernet blend, rich in flavors of dark cherry, blackberry and vanilla. This is a young wine with tannins that will soften over time. 10 minute decant.

### Ingredients

Hand-harvested grapes, custom yeast cocktails, yeast food, malolactic bacteria, water, minimal sulfur dioxide

### Vineyards / AVA

3 vineyards from Wahluke Slope AVA and Rattlesnake Hills AVA

### Production & Barrel Aging

Fermentated with rocks from the vineyard, on bordeaux-style yeast, then blended right before bottling, then aged 2 years in French oak barrels.

### Bottled

April 2026

### Wine Analysis

14% alc./vol.
